KEYBAKI LABS
labs.keybaki.com

Practise real computer skills, step by step.

With Tcha, your guide in KEYBAKI Labs.

1. Show me
Tcha does it while you watch.

2. Guide me
You do it, one step at a time.

3. Let me try
You do it on your own.

Computer Foundations
The parts of a computer, switching on, clicking, scrolling and keys.

Typing Studio
Find your level, then build accuracy and speed.

Desktop, Files & Editing
Manage windows, organise files and edit text.

Documents, Sheets & Slides
Create documents, budgets and presentations.

Internet & Communication
Search thoughtfully and write clear emails.

Digital Safety & Responsible AI
Spot scams, protect accounts and check what AI tells you.
